PONTOONS | 2022

# THE EXPERIENCE IS EXCEPTIONAL

For over 50 years, Qwest Pontoons have been built with heart and soul, all beginning with a deep understanding and passion for the water.

Our goal has never been manufacturing the biggest pontoon for the industry. It has always been building the most fitting pontoon for you—one that never leaves you wanting more or needing less. To do this, we listen first and create second. We obsess over customer expectations and the result is an exceptional experience—every day, every moment.

A Qwest pontoon is just right. And when something is just right, you feel it. There's a level of comfort that can't be denied. There's a confidence that stays with you wherever you go.

Qwest has exactly what you need. Nothing more and nothing less.

818 Lanai LT

# QWEST PRODUCT LINES E-CLASS INTRODUCTION

**CTR** 4-5  
The Qwest CTR offers maximum space in a compact and thoughtful design.

**RLS** 6-7  
RLS models feature a center walkway, four corner lounge seats and side by side captain seats for the ultimate in comfort and flexibility.

**XRE** 8-9  
The XRE is the all-encompassing pontoon for the ultimate adventure seeker with accommodations for both fishing and cruising.

**LANAI** 10-11  
The Lanai features a rear-facing lounge and spacious open porch that is perfect for jumping, swimming, and fishing.

**SPLASH PAD** 12-13  
Splash Pad models feature a large rear multi-position lounge that can quickly convert from a bench, to lounging, to a large flat bed.

# QWEST CTR

The Qwest CTR offers maximum space in a compact and thoughtful design.

A great way to step into the pontoon life, the CTR offers a center positioned rear entry gate that amplifies the usable interior space.

With various layouts in three sizes for cruising, fishing, entertaining, or a combination of all of these activities there is still ample space for everyone and their gear in a small package.

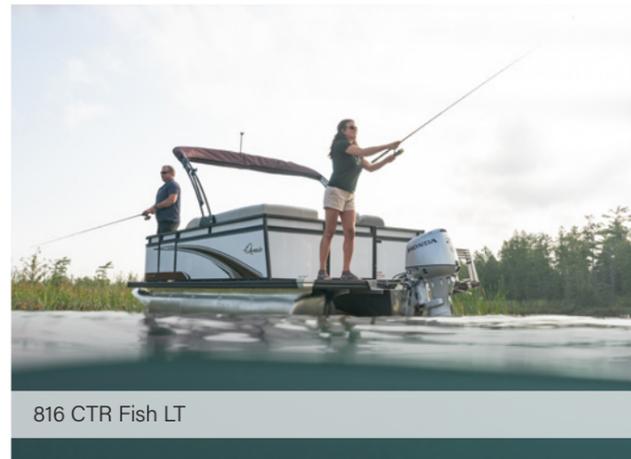

**AVAILABLE IN 14'-18' LENGTHS**

816 CTR Cruise LT

816 CTR Cruise LT

816 CTR Fish LT

816 CTR Fish LT

# QWEST RLS

The Qwest RLS steps it up for entertaining and adventure.

The ultimate cruising pontoon, the RLS sets the stage for comfort and fun. These models are available in a wide variety of floor plans with a lounge in all four corners and captain seats for the driver and first mate.

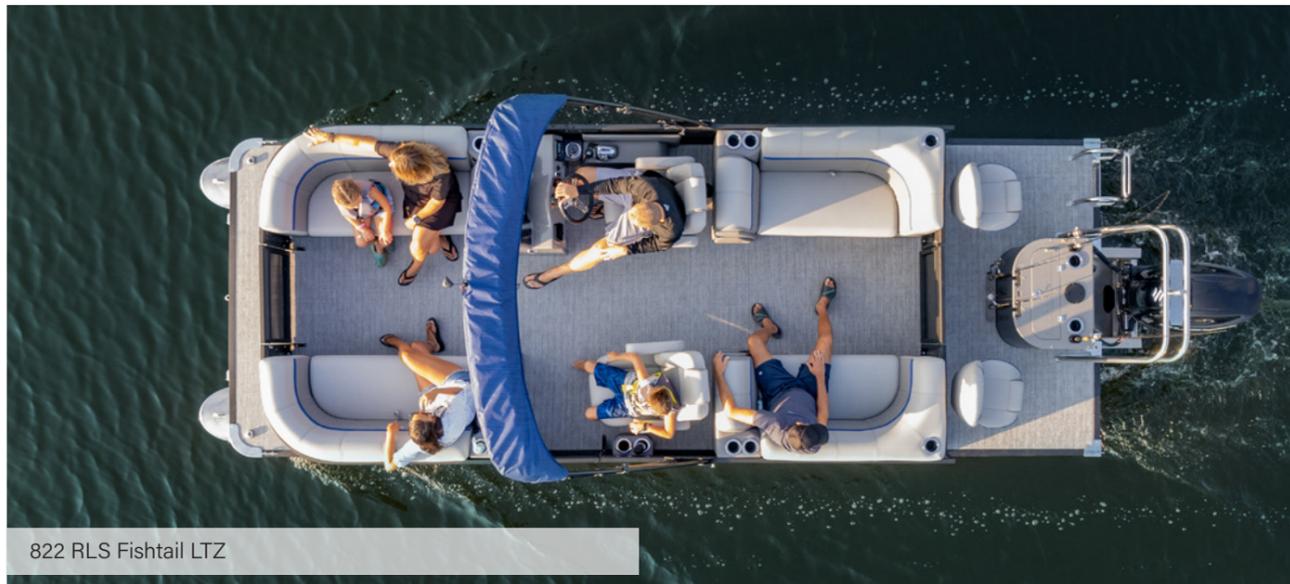

Additionally, the RLS offers an abundant amount of storage for all of your gear to accommodate any day on the water.

Are you planning to do a little fishing? The Fishtail version (20' and 22') boasts a rear mounted fishing station with aerated livewell and a spacious rear deck that carries two removable fishing seats.

**AVAILABLE IN 18'-24' LENGTHS**

822 RLS Fishtail LTZ

822 RLS Fishtail LTZ

820 RLS LTZ

# QWEST XRE

The XRE is the all-encompassing pontoon for the ultimate adventure seeker.

The XRE is the true definition of a multi-functional layout. If early morning fishing, midday water sports and late evening sunset cruises are on your agenda, your friends will be in awe of your full day of activities all from the same boat.

The fishing station and removable fishing seats inside the rear wall are perfectly positioned to stalk your intended catch of the day.

The mid-ship and forward lounges extend comfort to all and have ample storage areas for all of your gear. Having a wide range of sizes means that there is a model to meet the needs of all water enthusiasts.

AVAILABLE IN 16'-22' LENGTHS

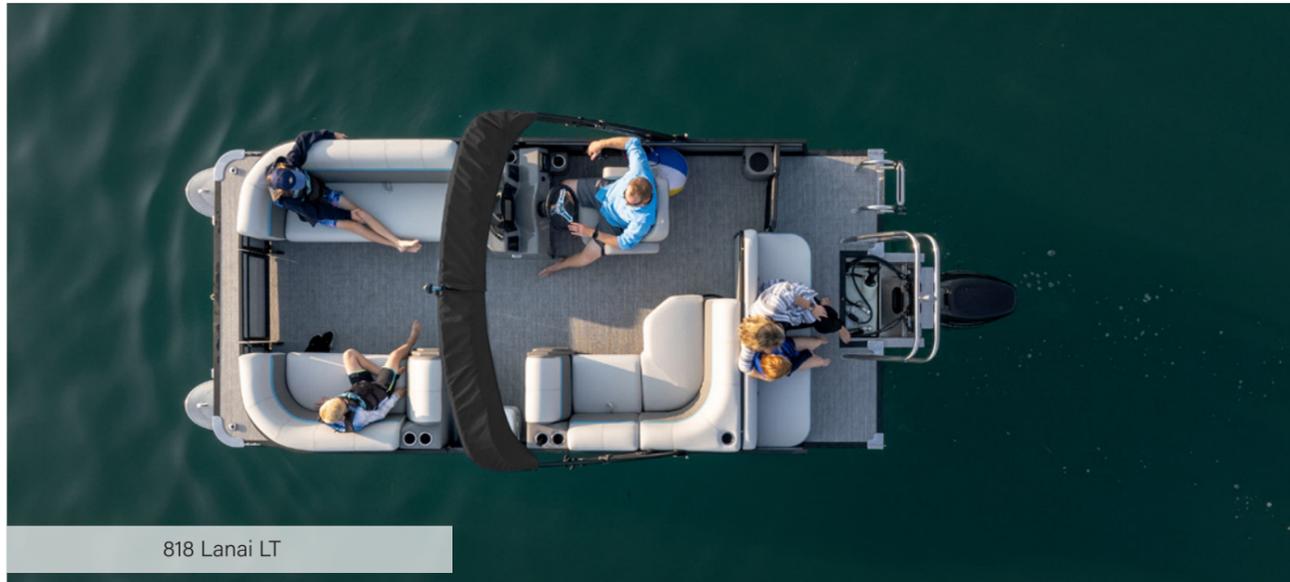

# QWEST LANAI

The Qwest Lanai is perfect for those seeking to have a relaxing cruise or taking a splash in the water.

A Hawaiian term meaning a porch with no sides, our Lanai Series features a usable rear facing lounge and a spacious open "porch" that is perfect for jumping, swimming, fishing, as well as an open ingress to the boat. The ultimate fun-giver, the Lanai boasts Qwest Pontoon's widest range of sizes.

The Lanai lounge offers plenty of storage for larger items and is a comfortable place to watch the kids at play or that magnificent sunset on your favorite body of water.

**AVAILABLE IN 16'-24' LENGTHS**

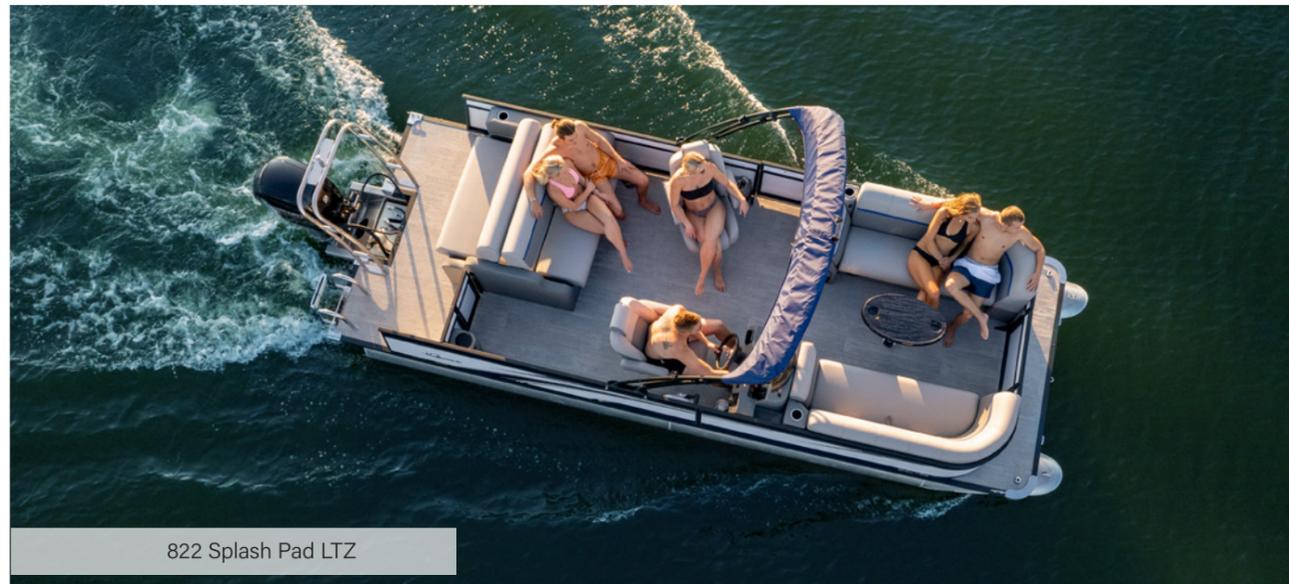

# QWEST SPLASH PAD

The Qwest Splash Pad is the ultimate fun-and-sun pontoon for your day on the water.

Whether you prefer to lay out and sunbathe or go for a cruise, the Splash Pad series has a multi-positional rear lounge that lets YOU decide the perfect position.

The standard Splash Pad has an open rear deck design which gives immediate access to the water, making it the perfect sandbar boat. Having a rear wall, the RW version enhances the usability while under power.

**AVAILABLE IN 20'-24' LENGTHS**

2022 SPLASH PAD

# FITS YOUR LIFESTYLE

## MODESTY MEETS LUXURY

From the quality of materials to the thoughtfulness of every floor plan, for every technology seen and unseen, for every stitch we make and every standard we meet, Qwest has exactly what you need. Nothing more and nothing less.

Features for the Whole Family

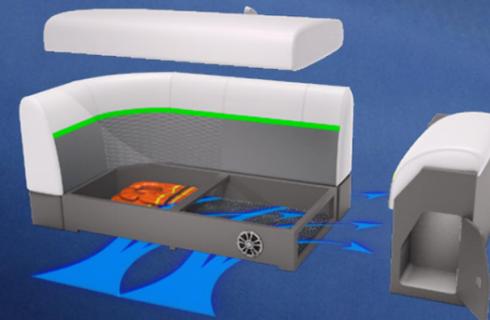

Exceptional Quality

# THE QWEST ADVANTAGE

## ULTRA-FLOW TECHNOLOGY

Qwest Pontoons Ultra-Flow seat ventilation promotes optimum air flow inside the seat bases to aid in drying stored items and to help prevent mold/mildew growth. Innovative seat bases constructed with our proprietary Dura-Lite composite material are stronger, lighter and provide storage space that is unrivaled.

# PERFORMANCE OPTIONS

No one said relaxing has to be done in the slow lane. Get a rush of performance by adding our **GEN II TRIPLE TUBE PACKAGE**, delivering maximum speeds, tighter handling and a smoother ride. It's the perfect choice for your family watersports, larger bodies of water or just having some fun.

The **2-TUBE PERFORMANCE PACKAGE** is designed to enhance the performance and ride comfort of your two-tube pontoon.

	In-Floor Ski Locker	Optional

(Packages available on LT and LTZ trim levels only.)

Torqeedo Cruise with Optional Panther 35 Tilt

Torqeedo Cruise shown on 816 CTR Cruise LT

# QWEST ELECTRIC

## CHOOSE AN ELECTRIC MOTOR TO POWER ANY QWEST MODEL

Simple and reliable to operate, zero-emission electric drives are the environmentally friendly way to be on the water by eliminating the noise and fumes of a gasoline outboard motor. Save money on maintenance and operation without runs to the marina for fill-ups.

Electric power is the perfect choice for smaller lakes, lakes with bans on internal combustion engines, and speed-restricted lakes.

They feature remote steering just like a gas outboard and are convenient to plug in and recharge at the dock.

Learn more at [www.QwestPontoons.com](http://www.QwestPontoons.com)

### TORQEEDO CRUISE

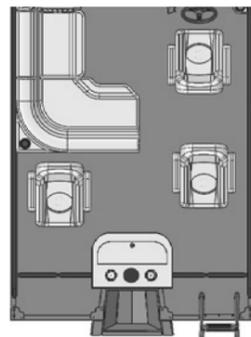

The Cruise line will get you on the water with your choice of a 24 or 48 volt system. Built into the throttle is an informational display showing charge level, GPS speed, battery voltage, power, and time remaining. The Cruise line has manually adjusted tilt/trim.

### MINN KOTA E-DRIVE

The E-Drive is a 48V system with integrated power tilt, including a tilt gauge in the dash. Built into the throttle is a backlit battery gauge with time remaining. The E-Drive is so quiet that all you will hear is the water as you cut through it.

XRE UPGRADES
